## Missions Spotlight

We have the opportunity to plant physical seed into the Latin America region. Cruz and Keydi Paniagua are the Directors of Church Planting in Latin America. Through the COVID-19 pandemic they are not slowing down, training 2,800 pastors from all over Latin America through zoom. There are 1,450 Church Planters in training plus 580 new youth and teenagers. The impact of the training has multiplied since COVID-19, praise God! Let us jump on board and make a difference in Latin America. What the enemy meant for evil, God is turning it for good. Help us spread Jesus throughout this area!
